*Turning and turning each one's wheel  
The vision cannot fail  
Things fall apart; the centre can hold  
Men are born, but only we are mortal*

**W.B. Yeats: The Second Coming**

Chinua Achebe  
*Things Fall Apart*

[illegible]

I think I belong to a very fortunate generation – when I was growing up – it was a mix especially if you lived in a village or a town – these old ways of life I was particularly interested in. Listening to the village old people talked and the festivals were still observed may be not in the same force but they were still there.
